What are the requirements of your assignment? Page length, topic restrictions, etc.?

Think carefully about these interests. Are there any aspects of them that fall within your assignment parameters?

What are three things you are passionate about? Note: They do NOT have to be class-related

1.
2.
3.

What is your potential topic?

What about this topic interests you? If you can’t answer this question, go back to brainstorming topics!

Tentative topic:

I’m not sure what I want to write about...

I have an idea for my topic...
